PRIVATE PREVIEW · BERLIN 2027 · BAR CONVENT WEEK

N° 01 — 11

BEYOND THE BOOTH.

Berlin, 2027.

02 — WHAT WE'RE BUILDING · BERLIN 2027

FROM THE TRADE TO THE PEOPLE.

BERLIN · BAR CONVENT WEEK

2027

WED — FRI · THREE DAYS

TRADE

Producers meet buyers, importers and distributors who are already in Berlin for Bar Convent.

TASTE

The public tastes, compares — and buys bottles on site. Distributors see real demand, live.

OPEN NIGHT

Music, bars and culture open the doors wide: a new public meets quality spirits.

GanG of Spirits

03 — WHY IT WORKS

THREE PROBLEMS. ONE WEEK TO SOLVE THEM.

Each part of the week answers one problem the industry has today.

01

THE PROBLEM

~~Trade fairs without return.~~

TRADE · WED–THU

MEETINGS THAT CONVERT.

Buyers already in Berlin for Bar Convent — plus proof of demand to show them.

02

THE PROBLEM

~~Pull you can't prove.~~

TASTE · THU–FRI

DEMAND YOU CAN SHOW.

Distributors watch the public taste, react and buy your bottles — live, in the room.

03

THE PROBLEM

~~A public drinking less.~~

OPEN NIGHTS · THU–FRI

A NEW PUBLIC FOR QUALITY.

Culture and nightlife bring people back to quality spirits. Taste less, taste better.

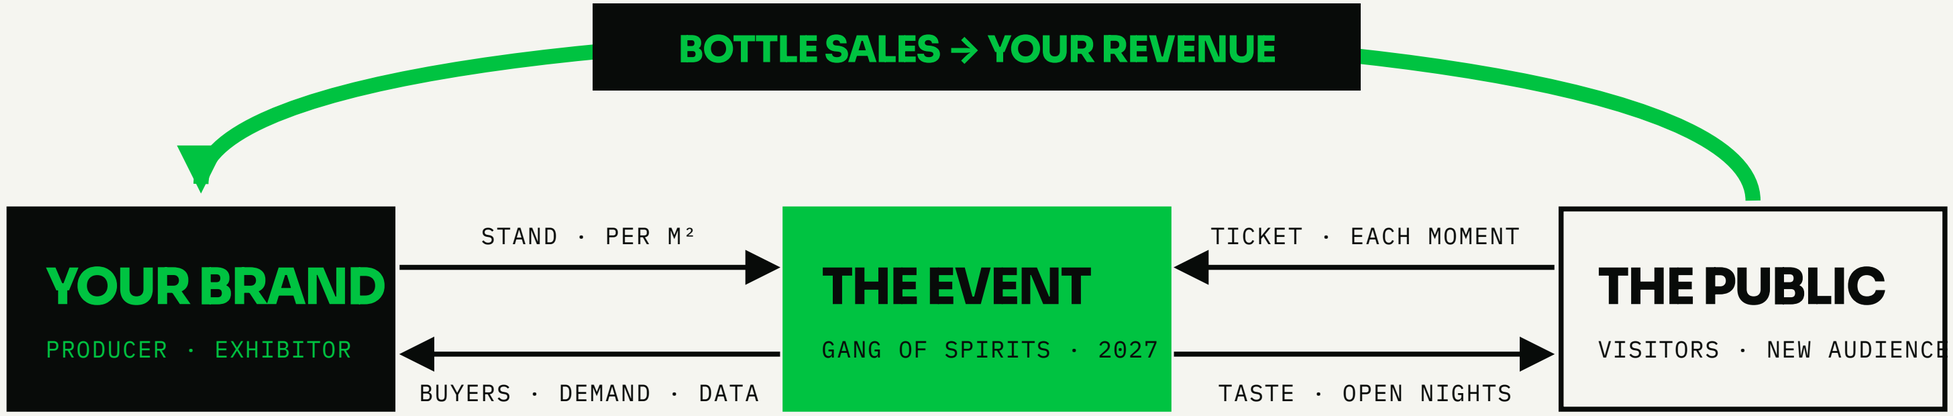

Problem 1 reflects what producers tell us. Problem 3: in Germany only 25% of 18–25-year-olds drink alcohol weekly, a historic low (BIÖG, Drogenaffinitätsstudie 2025).

04 — HOW IT WORKS FOR YOUR BRAND

A STAND THAT SELLS.

You invest in a stand. The public pays to come in — and buys your bottles. Those sales are your revenue.

THE PUBLIC BUYS YOUR BOTTLES DURING TASTE SESSIONS · THU – FRI

No prices yet: formats and rates are being built with brands like yours.

05 — BAR CONVENT WEEK

ONE TRIP. TWO REASONS TO BE IN BERLIN.

For buyers flying in for Bar Convent, the same week now has a second reason to come: real consumers, real demand.

10 — WHAT'S NEXT

THE NEXT ROUND STARTS IN BERLIN.

Berlin is where the international trade already meets every October. That is why the first edition is being built here, in Bar Convent week.

Venue and programme are being shaped now — with the producers, buyers and partners who want to be part of it.
